NOTES OF INSPECTION OF THE ZAHIRUL ISLAM CO-OPERATIVE SOCIETY AT MOLAKALMURU IN THE CHITALDRUG DISTRICT.

Dated 9th December 1907.

Date of inspection.—The Society was inspected on the 28th and 30th November 1907.

2. *Registration.*—It was started on the 28th April 1906, by a few Mahomedans of Molakalmuru who were enthusiastic about improving the condition of the local weavers, through the persuasion of Mr. Zahiruddin Meccai, Superintendent of Police.

3. *Objects and present work.*—The Society has at present chiefly confined itself to purchasing wholesale the silk and cotton yarns required by the weaver members of the Society. In the case of two of the members, Latchappa and Narnappa, both Hindu weavers, the Society has been advancing some money also as a loan. These members were indebted heavily to the sowcars at Rayadrug. The Society admitted them as members and encouraged them to continue their work, by advancing funds to them to a small extent and also giving them raw materials for manufacture. The manufactured goods are bought in for the Society at the market rates. Out of the total value of the goods thus purchased, the Society first deducts half their value towards their debts and advances funds to the remaining extent. Their houses worth about Rs. 350 have been mortgaged to the Society for the debts.

4. *Members.*—There are seventy-five members on the roll, forty-three being Mahomedans, thirty Hindu weavers, one Brahmin, and one sweet-meet seller. The forty-three Mahomedans may be arranged as follows:—
